21st Century Learning Center After-School Program and Activities SY(2025-2026)

The 21st Century Community Learning Centers (21st CCLC) grant supports our Out-of-School Time (OST) Programming at Alamo Navajo Navajo School, providing essential funding for activities that enhance our students' educational experience beyond the classroom. Our program offers many opportunities that foster academic enrichment, Diné language and culture perpetuation, self-efficacy skills, college and career readiness, social and emotional wellness, and family engagement.

We are dedicated to creating a safe and engaging environment where students can learn valuable life skills, build meaningful relationships through k'é (kinship), and develop self-confidence. The 21st CCLC OST Program enriches our community by equipping students with essential skills for success in their academic and personal lives.

Through active participation in various activities—including academic support, wellness programs, and cultural education—we aim to empower our students to grow, thrive, and carry forward the lessons learned at Navajo Preparatory School into their future endeavors

21st CCLC Activities are available Monday – Thursday, 3:40 pm – 5:00 pm transportation is available on nongame days. Friday, Daycare is available 7:45 am – 5:00PM.

Everyone is invited to join our 21st CCLC activities. Here is what you need to know:

Day Students are encouraged to stay late for activities—just make sure to arrange a ride after the evening bus leaves and communicate your plans with a staff member.

Open to All, activities are open to students, faculty, staff, and parents. No prior experience is needed—just come and have fun!
