The Alamo Navajo School Board, Inc. is the recipient a Perkins V, Native American Career and Technical Education Program (NACTEP) Grant.

The overall goal of the first year grant is to support the Alamo youth and community entering post-secondary education at a two-year community college, and/or seeking an industry recognized credential. The intent is to assist the Alamo youth and community to seek educational training and opportunities to become self-sufficient by entering the workforce fully equipped with the skills and education needed to be competitive.

(NACTEP)
PROGRAM**

NACTEP

Mission Statement: To educate, counsel, train, encourage, and empower the Alamo Community towards self-sufficiency in the world of work and to work toward improving their daily life by learning to read, write, and speak English, and compute mathematical problems.

What is NACTEP?

NACTEP is a Federally Funded Grant program that assists student with a bi-weekly stipend after exhausting all other financial assistance. The stipend can be used to help pay for tuition, fees, and books.

NACTEP offers comprehensive guidance and counseling

NACTEP supports industry recognized credentials such as Heavy Equipment Operator, Certified Nursing Assistant,, Commercial Drivers License, and Forestry training

NACTEP supports **Dual Credit classes** to help high school students get a head start on a Post-Secondary Degree

The goal of **NACTEP** is to assist Alamo community youth to obtain a 2 year degree, certificate or industry recognized credential that leads to employment.

Memorandum of Understanding (MOU)

Is in place to ensure quality post-secondary Education and Training Opportunities are available for NACTEP Participants.

Current Post-Secondary Partners:

Central New Mexico Community College

Dine College

Dona Ana Community College

Fort Lewis College

Haskell Indian Nations University

New Mexico Highlands University

Santa Fe Community College

Southwestern Indian Polytechnic Institute

University of New Mexico

University of New Mexico Valencia Community College

Western New Mexico University

Vision:

It is our vision to empower the Alamo Community to work together toward self-sufficiency in the world of work.

Progress reports are a way of letting us know you are attending classes and communication with your instructors, advisors, and counselors.

Bi-weekly Stipend
Bi-weekly Stipend

A bi-weekly stipend is given to those who qualify for NACTEP financial assistance. Student stipends are based on the number of credit hours the student is taking.

How Stipends are Calculated:

$$12 \text{ credit hours} \times 2 \text{ weeks} \\ \times \$12.50 = \$300.00$$
