

“HAPPY CTE MONTH 2024”

CTE is the acronym for Career Technical Education. This is celebrated during the month of February, the celebration is to recognize and acknowledge student achievement, especially those enrolled in the, *“Native American Career and Technical Education Program,” known as NACTEP.*

The Alamo community was awarded a FIVE year grant from the U.S. Department of Education to operate a NACTEP program for the community of Alamo. ALL accomplishments made since PY2021 will be HIGHLIGHTED.

For the new year, January 2024 we Congratulate the following individuals for their contribution:

- CDL A training: Kashaundrick Big and Michael Ganadonegro
- CDL A and B: Ben Guerro
- Welding Certificate: Joaquin Billy
- Megan Apachito: Paraprofessional licensure
- Caleb Secatero: National Credential NFHS Coach Level 1 credential
- Digital Literacy Certificates:

Caleb Secatero
Ahjny Apachito
Ty Apachito
Jacob Thomas

Elizabeth Thomas
Saige Apachito

ALSO, special recognition to the eight (8) Alamo community members attending off-reservation colleges such as SIPI, Trinidad State College, and UNM-Main: Hailey Apachito at Trinidad State College, Dresean Abeyta, Baahozho Piaso, and Walter Apachito at UNM-Main, McKenzie Mexicano, Lupe Apachito, Madalyn Abeyta, and Sage Baca at SIPI.

Pharmacy Tech and Dental Tech participants are in the process of course completion. There are four Dental Tech, and seven Pharmacy Tech participants. The NACTEP program encourages all participants to complete their program of study.

In addition to the NACTEP program, the *Workforce Innovation and Opportunity Act, WIOA program* is a valuable partner and recognized for their work. The programs share a common goal of preparing students for high-skill, high-wage, and in-demand careers. We celebrate all administrators, teachers, faculty, counselors, advisors, business and industry partners, parents and other support staff...We applaud and thank you!!!

CONGRATULATIONS TO ALL ALAMO NACTEP PARTICIPANTS!!!

Visit ANSBI website for further information on program enrollment, etc.
