Early Head Start and Head Start will continue to provide services by dropping off the children's activity packets at their home on a weekly basis. If you have any questions, do call your child's teacher and leave them a message.

Early Head Start & Head Start are now on Class Dojo!

What is ClassDojo?

It's a simple, free mobile app for iOS and Android, and can also be accessed from your computer at [classdojo.com](http://classdojo.com).

Early Head Start and Head Start will rely on it to:

- o Send messages to your child's teacher.
- o Get up-to-date update communication from: teachers, events, community information.
- o Zoom links for scheduled class times.
- o Access additional worksheets.
- o Zoom links for children to see and talk to each other outside of class time.
- o Sharing of photos.

How can I get ClassDojo?

Reach out to your child's teacher and ask for a link. This link can be sent through email or text message.

Not enrolled? There are openings in every classroom (prenatal-5yo). Come join us!

**Please keep in mind we are following all COVID-19 guidelines and restrictions.**
