September Happenings

Welcome back! We are so happy to work with all our families again.

Families, thank you for answering our survey questions. Families said they want to keep their children safe at home. Families also said they would like us to work with their children. So, while our children are all home and safe, ECH staff will work with them from the center.

- If families have internet, children will have short Zoom lessons each day. This will let our children see their teacher and friends in real time.
- If families do not have internet, teachers will plan daily phone calls.
- All children will get weekly packets with activities.
